

Privacy Policy of www.ew2012.org Website

Website Owner

The Owner of the www.ew2012.org website shall be the Chair of Wireless Communications, Poznań University of Technology, seated at 3 Polanka Street. Any question concerning the privacy policy shall be forwarded by email to: secretariate@ew2012.org

The Chair of Wireless Communications respects personal data of users who register at the website. The below privacy policy includes copyright notices, proprietary claims, and explanation of the issue of personal data.

Personal Data Protection

ew2012 website shall neither sell nor make available to other entities any personal or address data (including email addresses) concerning users/readers of the website and all 'subwebsites'.

Personal Data Acquisition

Personal data are acquired only for the purpose of the EW 2012 conference and used in relation with the conference. Personal data are stored by the Chair of Wireless Communications for a period of time no longer than the period required to hold the conference and shall be deleted afterwards.

ew2012.org website shall have a user database. Passing of the data shall take place on optional basis and is required for registration purposes to use the website. Typically, it is the user's name and surname, address, and, obligatory, a valid email address.

ew2012.org website offers a possibility to modify or completely delete one's personal data from the database (to completely delete data from our database, please contact secretariate@ew2012.org).

Cookies and IP address

For technical reasons, to improve website use considerably, we apply *cookies* saved on a user's computer. Failure to grant access or deleting of *cookies* may hinder using of our website for which ew2012.org website declines responsibility.

In no way does *a cookie* enable identification of a person visiting the site, nor does it save any information that may facilitate such identification. According to art. 173 of the law of 16 July 2004 Telecommunication Law (Journal of Laws No. 171, item 1800) saving of a text file on a website user's computer is allowable provided that the user has been warned. *Cookies* shall run only if they are accepted by the browser and not deleted from the disk.

Messages/Advertisement

We hereby reserve the right to send unannounced messages to persons whose contact data have been acquired through our activity related to ew2012.org website (registration). This term applies to information on news on the website.

Copyright

No materials provided by the ew2012.org website may be used on any other website. They have been created by editors or other cooperating persons. Therefore, they are protected by copyright and any use thereof shall be contrary to Polish laws.

Disclaimer

The Chair of Wireless Communications at Poznań University of Technology reserves the right to amend this Privacy Policy except for the section concerning personal data protection which shall not be amended.
